Surgery of Sport Medicine - Perugia, Italy
I am pleased to invite you to the 4th International Symposium on Intra-Articular Treatment in the beautiful city of Prague.

The ISIAT Symposium is held every two years, it moves across Europe and continuously gathers most relevant experts on different topics regarding Intra-Articular access, therapeutic targets and tools and future developments.

This edition will feature lectures and speeches by leading experts, in order to encourage discussions and stimulating interactions. Furthermore, it will also host several practical courses of ultrasound-guided joint injections, applied to all kind of joints. So the ISIAT Symposium also will be a big opportunity for those who want to learn or improve their skills in Intra-Articular injections.

The ISIAT Symposium will give an outstanding opportunity to investigators and clinical practitioners to show their latest researches in selected oral presentations or posters.

I kindly invite scientists and clinicians interested in Intra-Articular research and treatment in rheumatology, orthopedics, sport medicine, pain medicine, rehabilitation and interventional radiology to take this opportunity to present and discuss their latest research findings together with other investigators and key opinion leaders.

The aim is to create a unique, interdisciplinary and stimulating environment focused on developing a wide interchange and improvement of Intra-Articular management of joint diseases.

It will also be the chance to develop synergies among different actors of Intra-Articular world.

I look forward to welcoming you all in Prague!

Welcome

Visa requirements
All non-Czech nationals entering the Czech Republic must provide valid travel documentation. Delegates who hold neither an EU passport nor a Schengen visa should check as soon as possible the Czech Ministry of Foreign Affairs’ website to see if they require a visa to enter the Czech Republic. Visa regulations depend on your nationality and country of origin. For the most updated information regarding visa requirements, we do suggest you contact your local consulate for full and official instructions on the specific visa regulations and application procedures that apply to you. If a visa is required, delegates should apply to the Czech Diplomatic and Consular Representations in their country of residence with the documents outlined on the Ministry of Foreign Affairs’ website. Invitation letters to the conference may be downloaded online at registration area of our website.

Please Note:
- Visa applications may take several months. Please check this now.
- Visa application fees range from 35 to 630 euros per person. This should be paid on application, to either the Consulate or Embassy directly.
- Presentation of the requested documentation does not guarantee that the visa will be issued. AIM Group will be glad to assist you if you need any written invitation or other document to support your visa application. Feel free to contact Ms. Veronika Krátká at v.kratka@aimgroup.eu.

**Abstract submission**

Participants interested in making an oral or poster presentation are invited to submit an abstract. All abstracts will undergo review by the Abstract Review Committee, to determine which abstracts may be accepted.

To submit an abstract please [click here](#) and register.

Notification on acceptance of the abstracts will be e-mailed by June 15, 2017.

For each abstract, an author is expected to attend the congress and make the poster or oral presentation. The presenting author of the accepted abstract must register by the registration deadline (27 July 2017) and attend the Congress.

Abstracts for which no author has registered to attend Congress by 27 July 2017 will not be included in the Congress Scientific Programme.

**Young Italian Researchers (under 40)**

All presenting authors of accepted oral communications or posters, aged 40 or under, who are currently Residents in Italian Medical Schools, in Rheumatology, Physical Medicine and Rehabilitation, Orthopaedics or Sports Medicine will be entitled to complimentary registration. Young researchers MUST be 40 or under on October 5, 2017.

**Grants**

The Italian Society of Rheumatology (SIR) will provide 8 grants to participants selected for oral or poster presentations which have reached a high score and found to be particularly meritorious by the Referees. Only the presenter of a selected abstract will be eligible for the grant and he/she should be a SIR member, younger than 40 years old and in good standing with the membership fees.

The grant of € 1000,00 gross will be recognized directly by SIR to the authors of selected abstracts.

The winners are bound to join the conference and pay the registration fee. The winners will be contacted by the Organizing Secretariat at the end of June in order to give them all the instructions.
